

St.Ursula's Catholic Church
P.O. Box 64, Virgin Gorda, B.V.I.

To Whom It May Concern:

I write this note to support the proposal of the Stone Soup Leadership Institute, as a way forward for the development of youth care, education and leadership on Virgin Gorda.

The vision of the proposal is very sound and indeed exciting. There is an insistence on keeping the whole proposal anchored in the local context and using the people with their gifts and skills, that are on the ground.

This proposed training for local youth leaders is certainly a way forward for us here on Virgin Gorda and I give it my support.

Ms. Marianne Larned, Executive Director of the Stone Soup Leadership Institute is a regular visitor to our church. We look forward to working together to realize this project.

Sincerely,

Fr.Larry Finnegan
Pastor
