To Whom It May Concern,

We are very much indeed looking forward for the Virgin Gorda Youth Leadership Initiative to get underway – to do the job that needs to be done for everyone.

Speaking directly from the heart, we need support from government as much as we can and from the public, citizens, belongers and visitors to accomplish our goals for Virgin Gorda.

Principles, guidance and accomplishments -- speaking on a day-to-day basis, we do have to try harder to get things in place so we can have a better country.

Speaking from the heart again, young people need a sounder direction coming from all of us in this country.

Folks, I want you to tell me what are we going to do? Don't wait too late. Let's do it now.

Sincerely,

Kaunda Leonard
