Mr. Lloyd Black
Minister of Education and Culture
Road Town, Tortola

Dear Mr. Black,

As a resident and businessman, but more importantly the parent of a youth in the Virgin Gorda community, I will like to express my sincere appreciation and support for the Virgin Gorda Youth Leadership Initiative project, we welcome this project with much gratitude.

The youths of Virgin Gorda need to have a sense of direction, to have goals and dreams and to know that, their goals can be accomplished and their dreams can be realized only with hard work and determination, this will help equip and enable them to become adults who will make a positive contribution in their community.

Ms. Marianne Larned and her team have come to help them get started on this wonderful journey.

Thank you so much in advance for supporting this project, and aiding in any way you can; for truly showing an interest in making a difference in the lives of our young people.

Sincerely.

.....
Leon L. Andrews
